- Community Contacts – a listing of frequently used phone numbers including local schools and utility companies
- Business Resources
 - Information on relocating your business to / in Sierra Madre
 - Economic & Demographic Information

Chamber Members can also advertise on the Chamber Website. There are a number of different sponsorship levels available as low as \$30/month. This is just the first of many improvements coming up for the Sierra Madre Chamber of Commerce as a new Board of Directors is currently re-examining all that the Chamber does with an eye towards improving the services for, and to, local business owners.
